INFORMATION ABOUT VOTING

Who Can Vote at the Meeting

You are entitled to vote your shares of First Capital common stock if the records of the Company show that you held your shares as of the close of business on April 3, 2023. As of the close of business on April 3, 2023, a total of 3,359,362 shares of First Capital common stock were outstanding. Each share of common stock has one vote.

The Company's Articles of Incorporation provide that record holders of First Capital's common stock who beneficially own, either directly or indirectly, in excess of 10% of the Company's outstanding shares are not entitled to any vote with respect to the shares held in excess of the 10% limit.

Ownership of Shares; Attending the Meeting

You may own your shares of common stock of First Capital in one or more of the following ways:

- Directly in your name as shareholder of record;
- Indirectly through a broker, bank, or other holder of record in "street name"; or
- Indirectly through the First Harrison Bank Employee Stock Ownership Plan (the "ESOP") and Trust.

If your shares are registered directly in your name, you are the holder of record of those shares and we are sending these proxy materials directly to you. As the holder of record, you have the right to give your proxy directly to us to vote at the annual meeting or you may vote in person at the annual meeting.

If you hold your shares in street name, your broker, bank, or other holder of record is sending these proxy materials to you. As the beneficial owner, you have the right to direct your broker, bank, or other holder of record how to vote by filling out a voting instruction form that accompanies your proxy materials. Your broker, bank, or other holder of record may allow you to provide voting instructions by telephone or by the internet. Please see the instruction form provided by your broker, bank, or other holder of record that accompanies this proxy statement. If you hold your shares in street name, you will need proof of ownership to be admitted to the meeting. A recent brokerage account statement or a letter from your bank or broker are examples of proof of ownership. If you want to vote your shares of First Capital common stock held in street name in person at the meeting, you must obtain a written proxy in your name from the broker, bank, or other holder who is the record holder of your shares.

Participants in the ESOP may direct the ESOP trustees how to vote the shares allocated to their accounts. See “*Participants in the ESOP*” below.

Quorum and Vote Required

Quorum. We will have a quorum and will be able to conduct the business of the annual meeting if the holders of a majority of the outstanding shares of common stock entitled to vote are present at the meeting, either in person or by proxy.

Votes Required for Proposals. At this year’s annual meeting, shareholders will elect five (5) directors to each serve for a term of three (3) years. In voting on the election of directors, you may vote in favor of all nominees, withhold votes as to all nominees, or withhold votes as to specific nominees. There is no cumulative voting for the election of directors. Directors must be elected by a plurality of the votes cast at the annual meeting. This means that the nominees receiving the largest number of votes cast will be elected up to the maximum number of directors to be elected at the annual meeting. The maximum number of directors to be elected at the annual meeting is five (5).

In voting on the ratification of the appointment of Monroe Shine & Co., Inc. as the Company’s independent registered public accounting firm, you may vote in favor of the proposal, against the proposal, or abstain from voting. To be approved, the proposal requires the affirmative vote of a majority of the votes cast at the annual meeting.

In voting on the advisory resolution to approve the compensation of the Company’s named executive officers, you may vote in favor of the proposal, against the proposal, or abstain from voting. To be approved, the proposal requires the affirmative vote of a majority of the votes cast at the annual meeting. Because your vote is advisory, it will not be binding on the Board or the Company. However, the Board will review the voting results and take them into consideration when making future decisions regarding executive compensation.

In voting on the advisory resolution regarding the frequency of the shareholder vote to approve the compensation of the named executive officers, you may vote for a frequency of one year, two years, or three years or abstain from voting. The option of one year, two years, or three years that receives the highest number of votes cast by shareholders will be the frequency that has been selected by shareholders. Because your vote is advisory, it will not be binding on the Board or the Company. However, the Board will review the voting results and take them into consideration when making future decisions regarding the frequency of the advisory vote on executive compensation.

Effect of Not Casting Your Vote. If you hold your shares in street name, it is critical that you cast your vote if you want it to count in the election of directors or with respect to the two advisory proposals regarding executive compensation. Your bank or broker is unable to vote your uninstructed shares in the election of directors or with respect to the advisory proposals regarding executive compensation. Therefore, if you hold your shares in street name and you do not instruct your bank or broker how to vote in the election of directors or with respect to the advisory proposals regarding executive compensation, no votes will be cast on your behalf. These are referred to as “broker non-votes.” Your bank or broker, however, will continue to have discretion to vote any uninstructed shares on the ratification of the appointment of the Company’s independent registered public accounting firm. If you are a shareholder of record and you do not cast your vote, no votes will be cast on your behalf on any of the items of business at the annual meeting.

How We Count Votes. If you return valid proxy instructions or attend the meeting in person, we will count your shares to determine whether there is a quorum, even if you abstain from voting. Broker non-votes also will be counted to determine the existence of a quorum.

In the election of directors, votes that are withheld and broker non-votes will have no effect on the outcome of the election.

In counting votes on the ratification of the appointment of the independent registered public accounting firm and the advisory resolutions regarding executive compensation, abstentions and broker non-votes will have no effect on the outcome of the proposals.

Voting by Proxy

The Board is sending you this proxy statement for the purpose of requesting that you allow your shares of our common stock to be represented at the annual meeting by the designated proxies named by the Board. All shares of our common stock represented at the meeting by properly executed and dated proxies will be voted according to the instructions indicated on the proxy card. If you sign, date, and return a proxy card without giving voting instructions, your shares will be voted as recommended by the Board.

The Board recommends a vote:

- **“FOR” each of the nominees for director;**
- **“FOR” the ratification of Monroe Shine & Co., Inc. as the Company’s independent registered public accounting firm;**
- **“FOR” the approval of the compensation of the Company’s named executive officers as disclosed in this proxy statement; and**
- **To hold the advisory vote to approve the compensation of the Company’s named executive officers every “ONE YEAR.”**

If any matters not described in this proxy statement are properly presented at the annual meeting, the persons named in the proxy card will use their own best judgment as to how to vote your shares. This includes a motion to adjourn or postpone the annual meeting in order to solicit additional proxies. If the annual meeting is postponed or adjourned, your common stock may be voted by the persons named in the proxy card on the new meeting date as well unless you have revoked your proxy. The Company does not know of any other matters to be presented at the meeting.

You may revoke your proxy at any time before the vote is taken at the annual meeting. To revoke your proxy, you must either advise the Company’s Corporate Secretary in writing before your shares have been voted at the annual meeting, deliver valid proxy instructions with a later date, or attend the meeting and vote your shares in person. Attendance at the annual meeting will not in itself constitute revocation of your proxy.

Instead of voting by mailing a proxy card, registered shareholders can vote their shares of First Capital common stock via the internet or by telephone. The internet and telephone voting procedures are designed to authenticate shareholders’ identities, allow shareholders to cast their vote, and confirm that their vote has been recorded properly. Specific instructions for internet and telephone voting are set forth on the proxy card. **The deadline for voting via the internet or by telephone is 1:00 a.m., local time, on May 24, 2023.**

Participants in the ESOP

If you participate in the ESOP, you will receive a voting instruction form for all shares you may vote under the plan. Under the terms of the ESOP, the ESOP trustees vote all shares held by the ESOP, but each participant in the ESOP may direct the trustees how to vote the shares of First Capital common stock allocated to his or her account. The ESOP trustees will vote all allocated shares for which no timely voting instructions are received in the same proportion as shares for which the trustees have received valid voting instructions. **The deadline for returning your voting instructions to the ESOP trustees is May 19, 2023.**

CORPORATE GOVERNANCE

General

The Company periodically reviews its corporate governance policies and procedures to ensure that the Company meets the highest standards of ethical conduct, reports results with accuracy and transparency, and fully complies with the laws, rules, and regulations that govern the Company's operations. As part of this periodic corporate governance review, the Board reviews and adopts best corporate governance policies and practices for the Company.

Director Independence

The Board currently consists of thirteen members. All of the directors are independent under the listing standards of the The NASDAQ Stock Market LLC (the "Nasdaq Rules"), except for William W. Harrod, our Chief Executive Officer, and Michael C. Frederick, our Executive Vice President. In determining the independence of its directors, the Board considered transactions, relationships and arrangements between the Company and its directors that are not required to be disclosed in this proxy statement under the heading "*Other Information Relating to Directors and Executive Officers—Transactions With Related Persons*," including loans or lines of credit that the Bank has, directly or indirectly, made to Directors Byrd, Ernstberger, Frederick, Harrod, Huber, Kraft, Moore, Orwick, and Wallace.

Board Leadership Structure and Board's Role in Risk Oversight

Kathryn W. Ernstberger currently serves as Chairperson of the Board. The Chairperson is independent under the Nasdaq Rules and does not serve as Chief Executive Officer. However, the Board does not believe that mandating a particular structure, such as requiring that the Chairperson of the Board be independent under the Nasdaq Rules or separating the Chairperson and Chief Executive Officer positions, are necessary to achieve effective oversight. The Board endorses the view that one of its primary functions is to protect shareholders' interests by providing independent oversight of management, including the Chief Executive Officer. The Chairperson of the Board has no greater nor lesser vote on matters considered by the Board than any other director, and the Chairperson does not vote on any related party transaction. All directors of the Company, including the Chairperson, are bound by fiduciary obligations, imposed by law, to serve the best interests of the shareholders.

Risk is inherent with every business, and how well a business manages risk can ultimately determine its success. The Company faces a number of risks, including credit risk, interest rate risk, liquidity risk, operational risk, strategic risk, and reputation risk. Management is responsible for the day-to-day management of the risks the Company faces, while the Board, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk management oversight role, the Board has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed. Toward this end, the Chairperson of the Board meets regularly with management to discuss strategy and the risks facing the Company. Senior management attends the Board meetings and is available to address any questions or concerns raised by the Board on risk management and any other matters. The Chairperson of the Board and independent members of the Board work together to provide strong, independent oversight of the Company's management and affairs through the Board's standing committees and, when necessary, special meetings of independent directors.

Committees of the Board of Directors

The following table identifies our standing committees and their members. The members of the Audit, Compensation, and Nominating Committees are each independent in accordance with the relevant Nasdaq Rules. The charters of the Audit Committee, Nominating Committee, and Compensation Committee are available in the Investor Relations section of the Bank's website (www.firstharrison.com).

* Denotes Chairperson

Executive Committee. The Executive Committee evaluates issues of major importance to the Company between regularly scheduled Board meetings. The Executive Committee acts on issues delegated to it by the Board.

Audit Committee. The Board has a separately-designated standing Audit Committee established in accordance with the Securities Exchange Act of 1934, as amended (the "1934 Act"). The Audit Committee meets periodically with the Company's independent registered public accounting firm and management to review accounting, auditing, internal control structure and financial reporting matters. The Board has determined that Christopher L. Byrd, William I. Orwick, Sr., and Carolyn E. Wallace are "audit committee financial experts" under the rules of the SEC. The report of the Audit Committee required by the rules of the SEC is included in this proxy statement. See "Report of the Audit Committee."

Compensation Committee. The Compensation Committee approves the compensation objectives for the Company and the Bank and establishes the compensation for the Chief Executive Officer and periodically reviews and makes recommendations to the Board regarding the compensation of non-employee directors. The Compensation Committee reviews all compensation components for the Company's Chief Executive Officer including base salary, annual incentives, short-term incentives, benefits and other perquisites. In addition to reviewing competitive market values, the Compensation Committee also examines the total compensation mix, pay-for-performance relationship, and how all elements, in the aggregate, comprise the Chief Executive Officers' total compensation package. Decisions by the Compensation Committee with respect to the compensation of the Chief Executive Officer are approved by the full Board, excluding any member of the Board that also serves as the Chief Executive Officer. The Compensation Committee reviews and makes recommendations to the Board with respect to any employment agreements and any severance arrangements or plans, including any benefits to be provided in connection with a change in control, for the Chief Executive Officer and other executive officers. The Compensation Committee also assists the Board in evaluating potential candidates for executive positions.

Nominating Committee. The Nominating Committee annually selects the Board's nominees for election as directors. For the procedures of the Nominating Committee, see "Nominating Committee Procedures" below.

Nominating Committee Procedures

General. It is the policy of the Nominating Committee to consider director candidates recommended by shareholders who appear qualified to serve on the Board. The Nominating Committee may choose not to consider an unsolicited recommendation if no vacancy exists on the Board and the Nominating Committee does not perceive a need to increase the size of the Board. In order to avoid the unnecessary use of the Nominating Committee's resources, the Nominating Committee will consider only those director candidates recommended in accordance with the procedures set forth below.

Procedures to be Followed by Shareholders. To submit a recommendation of a director candidate to the Nominating Committee, a shareholder should submit the following information in writing, addressed to Kathryn W. Ernstberger, Chairperson of the Nominating Committee, care of the Corporate Secretary, at the main office of the Company:

1. The name of the person recommended as a director candidate;
2. All information relating to such person that is required to be disclosed in solicitations of proxies for election of directors pursuant to Regulation 14A under the 1934 Act, as amended;
3. The written consent of the person being recommended as a director candidate to being named in the proxy statement as a nominee and to serving as a director if elected;
4. As to the shareholder making the recommendation, the name and address, as he or she appears on the Company's books, of such shareholder; provided, however, that if the shareholder is not a registered holder of First Capital's common stock, the shareholder should submit his or her name and address, along with a current written statement from the record holder of the shares that reflects ownership of First Capital's common stock; and
5. A statement disclosing whether such shareholder is acting with or on behalf of any other person and, if applicable, the identity of such person.

In order for a director candidate to be considered for nomination at the Company's annual meeting of shareholders, the Nominating Committee must receive the recommendation at least 120 calendar days before the date the Company's proxy statement was released to shareholders in connection with the previous year's annual meeting, advanced by one year.

Minimum Qualifications for Nominees. The Nominating Committee has adopted a set of criteria that it considers when it selects individuals to be nominated for election to the Board. First, a candidate must meet the age limitation requirements set forth in the Company's Bylaws. A candidate also must meet any qualification requirements set forth in any Board or committee governing documents.

The Nominating Committee will consider the following criteria in selecting nominees: financial, regulatory, and business experience; familiarity with and participation in the local community; integrity, honesty and reputation; dedication to the Company and its shareholders; independence; and any other factors the Nominating Committee deems relevant, including age, diversity, size of the Board, and regulatory disclosure obligations. The Board will also consider the extent to which the candidate helps the Board reflect the diversity of the Company's shareholders, employees, customers, and communities. The Nominating Committee also may consider the current composition of the Board, the balance of management and independent directors, and the need for audit committee expertise.

In addition, before nominating an existing director for re-election to the Board, the Nominating Committee will consider and review an existing director's Board and committee attendance and performance; length of Board service; experience, skills, and contributions that the existing director brings to the Board; and independence.

Process for Identifying and Evaluating Nominees. For purposes of identifying nominees for the Board, the Nominating Committee relies on personal contacts of the committee members and other members of the Board, as well as its knowledge of members of First Capital's local communities. The Nominating Committee will also consider director candidates recommended by shareholders in accordance with the policy and procedures set forth above. The Nominating Committee has not used an independent search firm in identifying nominees.

In evaluating potential candidates, the Nominating Committee determines whether the candidate is eligible and qualified for service on the Board by evaluating the candidate under the selection criteria set forth above. In addition, the Nominating Committee will conduct a check of the individual's background and interview the candidate.

Board and Committee Meetings

The business of First Capital and First Harrison is conducted through meetings and activities of their respective Boards of Directors and committees. During the fiscal year ended December 31, 2022, the Board held 12 meetings and the Board of Directors of First Harrison held 13 meetings.

Directors Attendance at Annual Meeting

The Board encourages directors to attend the Company's annual meeting of shareholders. All directors attended the Company's 2022 annual meeting of shareholders. Robert C. Guilfoyle attended fewer than 75% of the Board meetings and Audit Committee meetings held in 2022.

Code of Ethics and Business Conduct

The Company has adopted a Code of Ethics and Business Conduct (the "Code") that is designed to ensure that the Company's directors and employees meet the highest standards of ethical conduct. The Code, which applies to all employees and directors, addresses conflicts of interest, the treatment of confidential information, general employee conduct and compliance with applicable laws, rules and regulations. In addition, the Code is designed to deter wrongdoing and promote honest and ethical conduct, the avoidance of conflicts of interest, full and accurate disclosure and compliance with all applicable laws, rules and regulations.

REPORT OF THE AUDIT COMMITTEE

The Company's management is responsible for the Company's internal control over financial reporting. The independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements and issuing an opinion on the conformity of those financial statements with accounting principles generally accepted in the United States of America. The Audit Committee oversees the Company's internal controls and financial reporting process on behalf of the Board.

In this context, the Audit Committee has met and held discussions with management and the independent registered public accounting firm. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent registered public accounting firm. The Audit Committee discussed with the independent registered public accounting firm matters required to be discussed by Auditing Standard No. 1301, as adopted by the Public Company Accounting Oversight Board, including the quality, and not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of the disclosures in the financial statements.

In addition, the Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by the applicable requirements of the Public Company Accounting Oversight Board and has discussed with the independent registered public accounting firm the firm's independence from the Company and its management. In concluding that the independent registered public accounting firm is independent, the Audit Committee considered, among other factors, whether the non-audit services provided by the firm were compatible with its independence.

The Audit Committee discussed with the Company's independent registered public accounting firm the overall scope and plans for their audit. The Audit Committee meets with the independent registered public accounting firm, with and without management present, to discuss the results of their examination, their evaluation of the Company's internal control over financial reporting and the overall quality of the Company's financial reporting process.

In performing all of these functions, the Audit Committee acts only in an oversight capacity. In its oversight role, the Audit Committee relies on the work and assurances of the Company's management, which has the primary responsibility for financial statements and reports, and of the independent registered public accounting firm who, in their report, expresses an opinion on the conformity of the Company's financial statements to accounting principles generally accepted in the United States of America. The Audit Committee's oversight does not provide it with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal control over financial reporting designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions with management and the independent registered public accounting firm do not assure that the Company's financial statements are presented in accordance with accounting principles generally accepted in the United States of America, that the audit of the Company's financial statements has been carried out in accordance with the standards of the Public Company Accounting Oversight Board (United States) or that the Company's independent registered public accounting firm is in fact "independent."

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board, and the Board has approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2022 for filing with the SEC. The Audit Committee has appointed, subject to shareholder ratification, the Company's independent registered public accounting firm for the fiscal year ending December 31, 2023.

Directors' Deferred Compensation Agreements

The agreement provided Mr. Shireman with an opportunity to defer a portion of his respective fees for a specified period of time. All deferrals have ceased under the agreements. The agreement provides Mr. Shireman with a fixed benefit which, at his election, is payable in a lump sum or monthly over a 180-month period. The agreement provides that Mr. Shireman may receive his respective deferred compensation benefit upon the earlier of: attainment of age 70, disability, early retirement or death.

If the ratification of the appointment of the independent registered public accounting firm is not approved by a majority of the votes cast by shareholders at the annual meeting, the Audit Committee of the Board will consider other independent registered public accounting firms.

The Board recommends that shareholders vote "FOR" the ratification of the appointment of Monroe Shine & Co., Inc. as the Company's independent registered public accounting firm.

Item 3 — Advisory Vote on Executive Compensation

As required by federal securities laws, the Board is providing the Company's shareholders with an opportunity to provide an advisory vote on the compensation of our named executive officers as disclosed pursuant to the compensation disclosure rules of the SEC, including the compensation tables and the related narrative discussion contained in this proxy statement.

This proposal, commonly known as a "say-on-pay" proposal, gives the Company's shareholders the opportunity to endorse or not endorse the Company's executive pay program and policies through a vote on the following resolution:

"RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the compensation tables and related narrative discussion contained in the 2023 proxy statement, is hereby approved."

This advisory vote on the compensation of our named executive officers is not binding on us, our Board, or the Compensation Committee. However, our Board and the Compensation Committee will review and consider the outcome of this advisory vote when making future compensation decisions for our named executive officers.

The Board recommends that shareholders vote "FOR" the compensation paid to the Company's named executive officers, as disclosed pursuant to the compensation disclosure rules of the SEC, including the compensation tables and related narrative discussion contained in this proxy statement.

Item 4 — Advisory Vote on the Frequency of the Advisory Vote on Executive Compensation

As required by federal securities laws, the Board is providing the Company's shareholders with an opportunity to provide an advisory vote on the frequency of the advisory vote on the compensation of our named executive officers ("NEO"). We are asking shareholders whether the advisory vote should occur every year, every two years or every three years.

The Board has considered the frequency of the advisory vote on the compensation of the Company's NEOs that it should recommend. After considering the benefits and consequences of each option for the frequency of submitting the advisory vote on the compensation of the Company's NEOs to shareholders, the Board recommends submitting the advisory vote on the compensation of the Company's NEOs to shareholders annually.

The Board believes an annual advisory vote on the compensation of the Company's NEOs will allow the Board to obtain information on the shareholders' views of the compensation of the Company's NEOs on a more consistent basis. In addition, the Board believes an annual advisory vote on the compensation of the Company's executive officers will provide the Board with frequent input from shareholders on the Company's compensation programs for its NEOs. Finally, the Board believes an annual advisory vote on the compensation of the Company's NEOs aligns more closely with the Company's objective to engage in regular dialogue with its shareholders on corporate governance matters, including the Company's executive compensation philosophy, policies and programs.

This advisory vote on the frequency of the advisory vote on the compensation of our NEOs is not binding on us, our Board, or the Compensation Committee. However, our Board and the Compensation Committee will review and consider the outcome of this advisory vote when making decisions on the frequency of the advisory vote.

The Board recommends that shareholders vote to hold the advisory vote on the compensation of the Company's named executive officers every year.

Change in Control Agreements

First Harrison and First Capital maintain a Change in Control Agreement dated January 20, 2015 with each of William W. Harrod and Michael C. Frederick, which was amended and restated on January 6, 2023. Joseph D. Mahuron entered into a Change in Control Agreement with First Harrison and First Capital on January 3, 2023.

Upon the occurrence of a change in control (as defined in the agreement) followed within twelve (12) months of the effective date of the change in control by the voluntary or involuntary termination of the executive's employment, other than for "cause" (as defined in the agreement), the executive will be entitled to certain post-termination payments and benefits. For purposes of this agreement, "voluntary termination" is limited to the circumstances in which the executive elects to voluntarily terminate his or her employment within twelve (12) months of the effective date of a change in control following any material demotion, loss of title, office or significant authority, material reduction in his or her annual compensation or benefits (other than a reduction affecting the personnel or the Bank generally), or the relocation of his or her principal place of employment by more than 25 miles from its location immediately prior to the change in control.

Under the terms of the agreements, the executive is entitled to receive, as severance pay, a sum equal to three (3) times the sum of the executive's wages, salary, bonus, and other compensation, if any, paid (including accrued amounts) by the Company or the Bank to the executive during the twelve (12) month period ending on the last day of the month preceding the effective date of the change in control. The executive is entitled to receive this payment in a lump sum no later than thirty (30) days after the date of his or her termination. In addition to a cash severance payment, the executive is also entitled to continued life, medical, dental and disability insurance coverage for twelve (12) months following termination of employment. Notwithstanding any provision in the employment agreements to the contrary, payments and benefits under the agreements are limited so that they will not constitute excess parachute payments under Section 280G of the Internal Revenue Code.

Following termination of employment for any reason, each named executive officer is entitled to his or her own non-forfeitable interest in the Bank's tax-qualified plans. The tax-qualified benefits are distributed in accordance with each executive's distribution election.

All payments due under the employment agreements are guaranteed by First Capital. All reasonable costs and legal fees incurred by an executive under any dispute or question of interpretation relating to the employment agreements will be paid by First Capital, if the executive is successful on the merits in a legal judgment, arbitration or settlement.

Potential Payments Upon Termination or Change in Control

None of our executive officers are subject to any employment agreement which would entitle them to any payment upon termination of employment, absent a change in control. As is more fully described below, all of the named executive officers were subject to change in control agreements with us that were in effect on December 31, 2022, unless otherwise noted below (each, a "Change in Control Agreement"), which provide for payments and benefits to our executive officers following a change in control of First Capital, Inc. and termination of the executive officer's employment within twelve (12) months (a "Change in Control Termination"). The following table sets forth information concerning potential payments and benefits to which our executive officers would be entitled as of December 31, 2022 in the event of a Change in Control Termination. For purposes of estimating the value of certain equity awards, we have assumed a price per share of our common stock of 24.90, which was the closing price of our stock on December 30, 2022, the last trading day of the year.

	Harrod	Frederick	Mahuron (4)
Salary	\$ 825,375	\$ 610,347	\$ 340,701

Pay vs. Performance

The Company believes that executive compensation should be structured in a way that aligns with long-term shareholder value. The following table illustrates compensation actually paid to our principal executive officer (“PEO”) and other NEOs and our financial performance. The following table sets forth information required by Item 402(v) of Regulation S-K for each of the last two recently completed years, including: (i) the total compensation earned by our PEO (as reported in the Summary Compensation Table above); (ii) the compensation “actually paid” to our PEO (calculated in accordance with Regulation S-K); (iii) the average of the total compensation earned by our other NEOs (calculated based upon our Summary Compensation Table above); (iv) the average compensation “actually paid” to our other NEOs (calculated in accordance with Regulation S-K); (v) our total shareholder return (“TSR”); and (iv) our net income:

Year	Summary Compensation Table Total for PEO (\$) (1)	Compensation Actually Paid to PEO (\$)	Average Summary Compensation Table Total for non-PEO NEOs (\$)	Average Compensation Actually Paid to non-PEO NEOs (\$)	Value of Initial Fixed \$100 Investment Based On: TSR (\$)	Net Income (\$)
2022	\$ 341,673	\$ 341,673	\$ 202,574	\$ 202,574	\$ 43.93	\$ 11,902,000
2021	335,123	335,123	189,522	189,522	68.59	11,424,000

(1) William W. Harrod was our PEO for each of the years presented.

(2) For 2021 the non-PEO NEOs consisted of Michael C. Frederick, Jill R. Keinsley, and Dennis L. Thomas. For 2022, our non-PEO NEOs consisted of Michael C. Frederick and Joseph Mahuron.

As discussed above in the Executive Compensation section of this Proxy Statement, the compensation payable to the PEO and Other NEOs consists primarily of base salary and incentive compensation in the form of performance awards as determined under the Bonus Plan. Incentive compensation under the Bonus Plan is largely determined by the pre-tax income performance of the Bank but there are provisions for the award of stock compensation if certain performance thresholds are met. No stock compensation was awarded under the Bonus Plan in 2022 or 2021. As such, there is no direct relationship between compensation actually paid to the PEO or to average compensation actually paid to the other NEOs and TSR.

Management attributes the majority of the decline in TSR to the Company’s stock being removed from the Russell 2000 Index (the “Index”) in June 2021. Inclusion in the Index is determined each year based on a company’s market capitalization and is subject to a variety of factors outside of management’s control. However, as demonstrated by the figures in the table above, there is a general degree of correlation between compensation actually paid and net income during the two-year period, in that compensation actually paid to our PEO and other NEOs increased 2.0% and 6.9%, respectively, in 2022 from 2021 while net income increased 4.2% during the same period.

OTHER INFORMATION RELATING TO DIRECTORS AND EXECUTIVE OFFICERS

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the 1934 Act, requires the Company’s executive officers and directors, and persons who own more than 10% of any registered class of the Company’s equity securities, to file reports of ownership and changes in ownership with the Securities Exchange Commission. Executive officers, directors and greater than 10% shareholders are required by regulation to furnish the Company with copies of all Section 16(a) reports they file.

Based solely on its review of the copies of the reports it has received and written representations provided to the Company from the individuals required to file the reports, the Company believes that each of its executive officers, directors and greater than 10% beneficial owners has complied with applicable reporting requirements for transactions in First Capital common stock during the fiscal year ended December 31, 2022, except for on September 1, 2022 a late Form 4 was filed for Dana L. Huber relating to the acquisition of 5,000 shares between August 25, 2022, and August 26, 2022.

Transactions with Related Persons

The Sarbanes-Oxley Act generally prohibits First Capital from extending loans to its executive officers and directors. However, the Sarbanes-Oxley Act contains a specific exemption from this prohibition for loans by First Harrison to its executive officers and directors in compliance with federal banking regulations. Federal regulations require that all loans or extensions of credit to executive officers and directors of insured financial institutions must be made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and must not involve more than the normal risk of repayment or present other unfavorable features. First Harrison, therefore, is prohibited from making any new loans or extensions of credit to executive officers and directors at different rates or terms than those offered to the general public. Notwithstanding this rule, federal regulations permit First Harrison to make loans to its executive officers and directors at reduced interest rates if the loan is made under a benefit program generally available to all other employees and does not give preference to any executive officer or director over any other employee. First Harrison currently offers a benefit program to all employees that provides a discount off the interest rate of any loan; officers and directors are permitted to participate in this benefit program.

The Company does not have a comprehensive written policy for the review, approval or ratification of certain transactions with related persons. However, in accordance with banking regulations, the Board reviews all loans made to a director or executive officer in an amount that, when aggregated with the amount of all other loans to such person and his or her related interests, exceeds the greater of \$25,000 or 5% of First Capital's capital and surplus (up to a maximum of \$500,000) and such loans are approved in advance by a majority of the disinterested members of the Board. Additionally, as required by the Company's Code of Ethics and Business Conduct, all executive officers and directors of the Company must disclose any existing or emerging conflicts of interest to the Company's President and Chief Executive Officer. Such potential conflicts of interest include, but are not limited to: (i) the Company conducting business with or competing against an organization in which a family member of an executive officer or director has an ownership or employment interest and (ii) the ownership of more than 5% of the outstanding securities or 5% of total assets of any business entity that does business with or is in competition with the Company.

There are no other transactions or series of similar transactions between us and any of our directors or executive officers in which the amount involved exceeds \$120,000 since the beginning of our last fiscal year, or which are currently proposed.

SUBMISSION OF BUSINESS PROPOSALS AND SHAREHOLDER NOMINATIONS

Proposals that shareholders seek to have included in the proxy statement for the Company's next annual meeting must be received by the Company no later than December 12, 2023. If next year's annual meeting is held on a date more than 30 days from May 24, 2023, a shareholder proposal must be received within a reasonable time before the Company begins to print and mail its proxy solicitation materials for such annual meeting. Any such proposals will be subject to the requirements of the proxy rules adopted by the Securities Exchange Commission.
